Ticket Information: We only sell our concert tickets as a membership subscription series. We do not sell single-event-tickets. In order to succeed financially, and survive as a non-profit volunteer organization, we must sell our season tickets as a subscription package. During our long and successful 83 year history—we have only sold tickets as a subscription series.

Tickets will be sold until we reach full capacity, or until the **deadline of June 30, 2010**—whichever occurs first. You may subscribe at the season membership prices listed above. Our “*Family*” season ticket, entitles two adults and children 18 years-old or younger—from the same household to attend the concert series. We have priced the family season ticket at a very affordable price. We believe that it is very important for children to experience the magic of live-performances and enjoy quality family entertainment. In addition, the “*Student*” season ticket, entitles children or adolescents 18 years-old or younger to attend the concert series.

Open seating—members will be able to sit anywhere they choose in the theater, except the (32) box seats which are reserved for our generous sponsors who have donated \$500.00 or more. Special seating and assistance is available for patrons with mobility, visual or hearing impaired guests. Please provide 24-hour notice to reserve your special needs seating prior to “each” concert. Call 923-2887 or 923-3754 to request your special needs seat assignment.

Please return this form and payment to: **Fond du Lac Concert Association**
